Article entitled (“Work” or “article”): .....

Author/s: (also referred to as “Licensor/s”) .....

Corresponding author: (if more than one author) .....

Journal Name [Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology]

**1. License**

The non-commercial use of the article will be governed by the *Creative Commons Attribution-NonCommercial-ShareAlike (CC BY-NC-SA) 4.0 International License* as currently displayed on <<http://creativecommons.org/licenses/by-nc-sa/4.0/>>, except that sections 2 through 8 below will apply in this respect and prevail over all conflicting provisions of such license model. Without prejudice to the foregoing, the author hereby grants the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* the exclusive license for commercial use of the article (for U.S. government employees: to the extent transferable) according to section 2 below, and sections 4 through 9 below, throughout the world, in any form, in any language, for the full term of copyright, effective upon acceptance for publication.

**2. Author’s Warranties**

The author warrants that the article is original, written by stated author/s, has not been published before, contains no unlawful statements, does not infringe the rights of others, is subject to copyright that is vested exclusively in the author and free of any third party rights, and that any necessary written permissions to quote from other sources have been obtained by the author/s.

**3. User Rights**

Under the *CC BY-NC-SA 4.0 International License*, users are free to share (copy and redistribute the material in any medium or format) and to adapt (remix, transform, and build upon the material) under the following conditions:

- a) They must give appropriate credit, provide a link to the license, and indicate if changes were made. They may do so in any reasonable manner, but not in any way that suggests the licensor endorses them or their use.
- b) They may not use the material for commercial purposes.
- c) If they remix, transform, or build upon the material, they must distribute their contributions under the same license as the original.

**4. Retained Rights of Authors**

Authors retain copyright and all additional proprietary rights, such as patent rights in any process, procedure or article of manufacture described in the article.

**5. Co-Authorship**

If the article was prepared jointly with other authors, the signatory of this form warrants that he/she has been authorized by all co-authors to sign this agreement on their behalf and agrees to inform his/her co-authors of the terms of this agreement.

**6. Termination**

This agreement can be terminated by the author or the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* upon two months’ notice where the other party has materially breached this agreement and failed to remedy such breach within a month of being given the terminating party’s notice requesting such breach to be remedied. No breach or violation of this agreement will cause this agreement, or any license granted in it to terminate automatically or affect the definition of the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology*. After the lapse of forty (40) years of the date of this agreement, this agreement can be terminated without cause by the author or the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* upon two years’ notice. The author and the Owner(s) of the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* may agree to terminate this agreement at any time. This agreement or any license granted in it cannot be terminated otherwise than in accordance with this section 6.

**7. Royalties**

This agreement entitles the author to no royalties or other fees. To such extent as legally permissible, the author waives his or her right to collect royalties relative to the article in respect of any use of the article by the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* or its sublicensee.

**8. Miscellaneous**

The *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* will publish the article (or have it published) in the Journal, if the article’s editorial process is successfully completed and the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* or its sublicensee has become obligated to have the article published. Where such obligation depends on the payment of a fee, it shall not be deemed to exist until such time as that fee is paid. The *Journal of Diagnostics and Treatment of Oral*

and *Maxillofacial Pathology* may conform the article to a style of punctuation, spelling, capitalization and usage that it deems appropriate. The author acknowledges that the article may be published so that it will be publicly accessible and such access will be free of charge for the readers. The *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* will be allowed to sublicense the rights that are licensed to it under this agreement. This agreement will be governed by the laws of Ukraine.

**9. Scope of the Commercial License**

The exclusive right and license granted under this agreement to the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* for commercial use is as follows:

a) to prepare, reproduce, manufacture, publish, distribute, exhibit, advertise, promote, license and sub-license printed and electronic copies of the article, through the Internet and other means of data transmission now known or later to be developed; the foregoing will include abstracts, bibliographic information, illustrations, pictures, indexes and subject headings and other proprietary materials contained in the article,

b) to exercise, license, and sub-license others to exercise subsidiary and other rights in the article, including the right to photocopy, scan or reproduce copies thereof, to reproduce excerpts from the article in other works, and to reproduce copies of the article as part of compilations with other works, including collections of materials made for use in classes for instructional purposes, customized works, electronic databases, document delivery, and other information services, and publish, distribute, exhibit and license the same.

Where this agreement refers to a license granted to the *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* in this agreement as exclusive, the author commits not only to refrain from granting such license to a third party but also to refrain from exercising the right that is the subject of such license otherwise than by performing this agreement.

The *Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology* will be entitled to enforce in respect of third parties, to such extent as permitted by law, the rights licensed to it under this agreement.

*If the article was written in the course of employment by the US or UK Government, and/or arises from NIH funding, please consult the Journal of Diagnostics and Treatment of Oral and Maxillofacial Pathology for further instructions.*
